Hi Mary,

Attached please find a Hot Issue paper for R9. The topic is the CA Class II UIC program, which continues to get a fair amount of NGO, industry, and political attention.

Thanks,

David

Subject: Request for Materials by May 6th for IOGCC Meeting

Hello,

This is a request for materials, **by Friday, May 6th**, on the "hot issues" or other on-going issues that may arise during (or on the sidelines) of the IOGCC Annual Meeting in Denver in mid-May. Please submit to me (and Dale Perry), a 1-pager for each issue that identifies the topic issue(s), background, and QAs for Mark Rupp and others to rely upon. As I noted in our last meeting Mark Rupp is covering the UOG portfolio that Teresa Marks had been handling now that she is departing the Agency. Please let me know of any questions. Thanks.

Mary
